Hi Kim,

Please make sure you have enough time to cover the time you will be out.

Please let me know if you have any questions?

Thanks for your continued support, stay safe, have a great day and God Bless!

Subject: PTO

Tony,

Just wanted to let you know that I will be taking PTO from June 16th ,2021 until July 5th, 2021(13 days) for travel out of the country that we discussed earlier this year. I was planning on going later in the summer, but was advised by my travel agent that fares are about to triple in price, so I booked the trip earlier. I will reach out to Laurie and Anita this week to check on my clients while I am away. I have CC'd both of them in this email. Ms. Dorothy did a fine job while I was away last week so I do not anticipate any issues going forward. She has both Laurie's and Anita's phone numbers should she need anything. While I will be out of the country, I will be available for text messages from Ms. Dorothy, should the need arise. You should be happy that I am taking your advice and practicing some self- care.

Thank you,

Kim
